

Main Stage – Engineering

Times	Name	Topic
10.00 - 10.20	Chairman	Opening Remarks
10.20 - 10.40	Colin Foley, E&I Site Lead / Maintenance Supervisor, Janssen Sciences Ireland UC	A CQA (Construction Quality Assurance) approach to a large scale Biotechnology Project Build for Electrical / Instrumentation
10.40 - 11.00	Donal Hubbard, Lean Sensei and Blackbelt, Hsigma, Ireland	Measurement System Analysis (MSA)
11.00 - 11.30	Coffee Break and Networking	
11.30 - 11.50	Jon Rittgers (BSME CEng MIEI LSSBB), Product Technology Development-Systems Reliability Engineer, HP Inc	New Product Development and the Role of System Reliability
11.50 - 12.10	Matthew Stead, Director, Resonate	Laboratory noise and vibration design for highly sensitivity Electron Microscopes and Quantum Computing facilities
12.10 - 12.30	Barry O'Donovan, Environmental & Sustainability Officer, ABP Cahir	Resource efficiency in the meat processing industry
12.30 - 1.50	Lunch Break and Networking	
1.50 - 2.10	Eddie Kilbane, CEO, Dataplex Data Centres Limited	Data Centres as a Secure Location from Cyber Attack, what to do?
2.30 - 2.50	Tony Horan, President, ACEI	Current themes for Consulting Engineering in Ireland
2.50 - 3.10	Dr. Sogol Fallah, Project Engineer, Arup	Offshore Foundations Used in Renewable Energy Infrastructure
3.10 - 3.40	Coffee Break and Networking	
3.40 - 4.00	Vasileios Lyritzis, Quality Assurance Automation Project Lead, Siemens A.G	Observation about Quality Assurance in the Engineering World
4.00 - 4.20	Chairman	Closing Remarks
